March 2, 2015

Imagine a World without Paramedics and Emergency Dispatchers.

The Ambulance Paramedics of BC represent over 4000 Paramedics and Emergency Dispatchers in BC. On behalf of these professionals, we have launched a public relations campaign to promote the important, often critical services we provide to you twenty four hours a day, seven days a week, 365 days a year.

The Ambulance Paramedics and Emergency Dispatchers of BC are a dynamic organization of professionals. On behalf of those we are privileged to serve, we strive to foster a culture of delivering the highest quality of paramedicine and emergency dispatching.

It's important the public know who we are, what we do and how we may be the difference between life, death, patient outcomes and the overall time a patient utilizes the healthcare system.

We realize that the ads and commercials that we produced may provoke different emotions in each individual, the reality is, these are the types of scenarios we face day in and day out as your Paramedics and Dispatchers in BC.

We will continue to strive to provide you with optimal, professional Paramedic and Emergency Dispatching services during you and your family's time of need.

If you would like to contact us in regards to this campaign, please email:
